

A trip to Mexico and an ensuing love affair with all things Mexican is the inspiration behind Mi Mexiko. Our vision is to bring you food that is fresh, tasty and simple, just like the street food in Mexico. Our food is delicious and locally sourced. Our tortilla's, which are truly authentic, are hand made by a Mexican family in Melbourne.

For our dine-in customers, we have created a restaurant that is colourful, playful and fun to give you an authentic Mexican experience.

Head Chef, Kaite Lodge, has created a menu that amplifies this vision through the simplicity and flavour of the food. The food is fresh and flavoursome which pairs brilliantly with both Mi Mexiko's cocktail list and our locally sourced beer and wine. We recommend dining with us to try our extensive Margarita options and Kaite's wonderful creations.
